

IN THE DRAWINGS:

The attached "Annotated Sheet Showing Changes" includes changes to Figs. 2a-2d. The attached "Replacement Sheet" incorporates these changes and replaces the original sheet 2/6. In Figures 2a-2d, one of the two reference characters 48 that previously designated different parts has been replaced with previously omitted reference character 38. Thus, Applicant submits that no new matter has been added to the drawings and respectfully requests acceptance of the drawings.
